The fourth of July Show!!!!

We made it!!!!!!!

This year's 4th of July show in Baker Park was fantastic. Let me share my journey with you...The fireworks display started at 7:30 PM and continued until 10:00 PM. I left my house with my dad and 2 sisters around 9:00PM, so we were already late. We sat in a ton of boring traffic. But, it seemed as if everyone else was late too. We parked at Frederick High School and walked all the way to Baker Park. On the way we saw lot's of police men and women. When we finally arrived it was around 9:45, so we only had about 15 minutes left to watch fireworks. The fireworks we did see were loud, explosive, and very cool. When it was time to leave everyone was getting to their cars so there was more traffic. My sister's enjoyed the fireworks and by the next day we had a whole story to tell.
